popular culture a reader helps students understand the pervasive role of popular culture

Culture David Machin
~~and the processes that constitute it as a product of industry an intellectual object of~~
inquiry and an integral component of all our lives the volume is divided into 7 thematic sections and each section is preceded by an introduction which engages with and critiques the chapters that follow the book contains classic writings from all the big names plenty of contemporary cultural references that will appeal to students including skateboarding hip hop fashion tommy hilfiger vintage websites star trek disney etc material organized in a skills focused and learning focused way strong pedagogic features throughout making this an excellent classroom text pieces drawing on diverse national disciplinary and subdisciplinary contexts and sensitivity to issues of gender race and sexuality

the concise introduction to the study of popular culture from madonna and drag queens to cyberpunk and webzines popular culture constitutes a common and thereby critical part of our lives yet the study of popular culture has been condemned and praised debated and ridiculed in popular culture an introduction carla freccero reveals why we study popular culture and how it is taught in the classroom blending music science fiction and film freccero shows us that an informed awareness of politics race and sexuality is essential to any understanding of popular culture freccero places rap music the alien trilogy and sandra cisneros in the context of postcolonialism identity politics and technoculture to show students how they can draw on their already existing literacies and on the cultures they know in order to think critically complete with a glossary of useful terms a sample syllabus and extensive bibliography this book is the concise introduction to the study of popular culture

since its birth in the 1960s the study of popular culture has come a long way in defining its object its purpose and its place in academe emerging along the margins of a scholarly establishment that initially dismissed anything popular as unworthy of serious study trivial formulaic easily digestible escapist early practitioners of the discipline stubbornly set about creating the theoretical and methodological framework upon which a deeper understanding could be founded through seminal essays that document the maturation of the field as it gradually made headway toward legitimacy popular culture theory and methodology provides students of popular culture with both the historical context and the critical apparatus required for further growth for all its progress the study of popular culture remains a site of healthy questioning what exactly is popular culture how should it be studied what forces come together in producing disseminating

Culture David Machin
~~and consuming it is it always conformist or has it the power to subvert refashion resist~~
and destabilize the status quo how does it differ from folk culture mass culture commercial culture is the line between high and low merely arbitrary do the popular arts have a distinctive aesthetics this collection offers a wide range of responses to these and similar questions edited by harold e hinds jr marilyn f motz and angela m s nelson popular culture theory and methodology charts some of the key turning points in the culture wars and leads us through the central debates in this fast developing discipline authors of the more than two dozen studies several of which are newly published here include john cawelti russel b nye ray b browne fred e h schroeder john fiske lawrence mintz david feldman roger rollin harold schechter s elizabeth bird and harold e hinds jr a valuable bibliography completes the volume

in this eighth edition of his award winning cultural theory and popular culture an introduction john storey presents a clear and critical survey of competing theories of and various approaches to popular culture its breadth and theoretical unity exemplified through popular culture means that it can be flexibly and relevantly applied across a number of disciplines retaining the accessible approach of previous editions and using appropriate examples from the texts and practices of popular culture this new edition remains a key introduction to the area new to this edition revised rewritten and updated throughout brand new chapter on class and popular culture updated student resources at routledge com cw storey the new edition remains essential reading for undergraduate and postgraduate students of cultural studies media studies communication studies the sociology of culture popular culture and other related subjects

is nypd blue a less valid form of artistic expression than a shakespearian drama who is to judge and by what standards in this new edition of herbert gans s brilliantly conceived and clearly argued landmark work he builds on his critique of the universality of high cultural standards while conceding that popular and high culture have converged to some extent over the twenty five years since he wrote the book gans holds that the choices of typical ivy league graduates not to mention ph d s in literature are still very different from those of high school graduates as are the movie houses television channels museums and other cultural institutions they frequent this new edition benefits greatly from gans s discussion of the politicization of culture over the last quarter century popular culture and high culture is a must read for anyone interested in the vicissitudes of taste in american society

~~in this ninth edition of his award winning introduction john storey presents a clear and~~ Culture David Machin
critical survey of competing theories of and various approaches to popular culture its breadth and theoretical unity exemplified through popular culture means that it can be flexibly and relevantly applied across a number of disciplines retaining the accessible approach of previous editions and using appropriate examples from the texts and practices of popular culture this new edition remains a key introduction to the area new to this edition updated throughout with contemporary examples of popular culture revised and expanded sections on richard hoggart and utopian marxism brand new discussions on black lives matter and intersectionality updated student resources at routledge com cw storey this new edition remains essential reading for undergraduate and postgraduate students of cultural studies media studies communication studies the sociology of culture popular culture and other related subjects

the fifth edition of marcel danesi s popular culture is an accessible engaging introduction for popular culture media and society and sociology of the media courses the fifth edition features updated coverage on social media and digital cultures including those surrounding memes video games virtual reality and streaming services pop culture surrounds us it infuses the movies we watch the music we listen to the books we read the clothes we wear and the food we eat it comes to us on our televisions phones computers radio and in every storefront and billboard we pass on the street danesi delves into the social structures that create and promote pop culture showing how it validates our common experiences offering a variety of perspectives on its many modes of creations and delivery danesi shows why pop culture will always be something we love to hate and hate to love

as a response to real or imagined subordination popular culture reflects the everyday experience of ordinary people and has the capacity to subvert the hegemonic order drawing on central theoretical approaches in the field of critical disability studies this book examines disability across a number of internationally recognised texts and objects from popular culture including film television magazines and advertising campaigns children s toys music videos sport and online spaces to attend to the social and cultural construction of disability while acknowledging that disability features in popular culture in ways that reinforce stereotypes and stigmatise disability and popular culture celebrates and complicates the increasing visibility of disability in popular culture showing how popular culture can focus passion create community and express defiance

~~in the context of disability and social change covering a broad range of concerns that lie~~ Culture David Machin
at the intersection of disability and cultural studies including media representation identity the beauty myth aesthetics ableism new media and sport this book will appeal to scholars and students interested in the critical analysis of popular culture across disciplines such as disability studies sociology and cultural and media studies

in popular culture and everyday life phillip vannini and dennis waskul have brought together a variety of short essays that illustrate the many ways that popular culture intersects with mundane experiences of everyday life most essays are written in a reflexive ethnographic style primarily through observation and personal narrative to convey insights at an intimate level that will resonate with most readers some of the topics are so mundane they are legitimately universal sleeping getting dressed going to the bathroom etc others are common enough that most readers will directly identify in some way watching television using mobile phones playing video games etc while some topics will appeal more or less depending on a reader s gender interests and recreational pastimes putting on makeup watching the super bowl homemaking etc this book will remind readers of their own similar experiences provide opportunities to reflect upon them in new ways as well as compare and contrast how experiences relayed in these pages relate to lived experiences the essays will easily translate into rich and lively classroom discussions that shed new light on a familiar taken for granted everyday life both individually and collectively at the beginning of the book the authors have provided a grid that shows the topics and themes that each article touches on this book is for popular culture classes and will also be an asset in courses on the sociology of everyday life ethnography and social psychology

surveying a range of topics this lively and informative survey provides an up to date thematic global history of popular culture focusing on the period since the end of the second world war

winner of the popular culture association s 2018 john g cawelti award for the best textbook primer what is popular culture why study popular culture in an academic context an introduction to popular culture in the us people politics and power introduces and explores the history and contemporary analysis of popular culture in the united states in situating popular culture as lived experience through the activities objects and distractions of everyday life the authors work to broaden the understanding of culture

~~beyond a focus solely on media texts taking an interdisciplinary approach to analyze~~ Culture David Machin

american culture its rituals beliefs and the objects that shape its existence after building a foundation of the history of popular culture as an academic discipline the book looks broadly at cultural myths and the institutional structures genres industries and people that shape the mindset of popular culture in the united states it then becomes more focused with an examination of identity exploring the ways in which these myths and mindset are internalized practiced and shaped by individuals the book concludes by connecting the broad understanding of popular culture and the unique individual experience with chapters dedicated to the objects communities and celebrations of everyday life this approach to the field of study explores all matters of culture in a way that is accessible and relevant to individuals in and outside of the classroom

in probing popular culture on and off the internet one of the leading authorities in american and popular culture studies presents an eye opening examination of the information age s influence on what we do how we live and who we are dr marshall fishwick author of the textbooks great awakenings popular religion and popular culture popular culture cavespace to cyberspace and popular culture in a new age focuses his penetrating gaze upon the impact of the cultural icons and events that color the fabric of our lives he examines the most recent developments crises and anxieties encountered in our headlong dash down the information superhighway and illustrates the reasons behind the media madness peppered with quotes from influential figures ranging from plato to p t barnum this book provides food for thought that will spark smart discussion about every aspect of popular culture from henry ford to y2k the impact on popular culture of the september 11 tragedy and more

this book explores the material and everyday intersections between popular culture and new media using a range of interdisciplinary resources the chapters open up various hidden dimensions including objects and infrastructures archives algorithms data play and the body that force us to rethink our understanding of culture as it is today

from hank williams to hip hop aunt jemima to the energizer bunny scrap booking to nascar racing this volume edited by a pioneer in the field invites readers to reflect on a sampling of modern myths icons archetypes and rituals ray b browne has mined both scholarly and mainstream media to bring together penetrating essays on fads and fashions sports fandom the shaping of body image the marketing of food vacationing

popular culture a user's guide international edition ventures beyond the history of pop culture to give readers the vocabulary and tools to address and analyze the contemporary cultural landscape that surrounds them moves beyond the history of pop culture to give students the vocabulary and tools to analyze popular culture suitable for the study of popular culture across a range of disciplines from literary theory and cultural studies to philosophy and sociology covers a broad range of important topics including the underlying socioeconomic structures that affect media the politics of pop culture the role of consumers subcultures and countercultures and the construction of social reality examines the ways in which individuals and societies act as consumers and agents of popular culture

with a foreword by dr fishwick's student tom wolfe this book redefines popular culture in the light of the revolutionary changes brought about by the information revolution and the digital divide it explores the phenomenal growth and extension of popular culture in the last decade and ties in the vast changes brought about by technology and the internet in an era when american television and the internet reach virtually every corner of the globe popular culture in a new age shows how the poorly understood and often underestimated area known as popular culture affects all of our lives beginning with an evaluation of the millennium celebrations and the enormous error of y2k madness popular culture in a new age then moves on to the new gold rush brought about by technology and takes a hard look at its risks the book examines a wide variety of pop culture phenomena such as carnivals celebrities and the road from nineteenth century humbuggery p t barnum's term to today's hype in popular culture in a new age you'll learn about the three faces of popular culture folk fake and pop how they relate and how they differ today's popular icons the empire of disney world marshall mcluhan our era's most profound and shocking electronic thinker african american popular culture and style popular culture in a new age gives characterization to the postmodern world in a chapter on postmodern pop followed by the shift from civil religion to civil disobedience and the myth of success this insightful book will help you understand the way we eat think vote and respond to our fast changing world in the era of hype spin doctors chat rooms and jargon

popular culture an introductory text provides the means for a new examination of the

different faces of the american character in both its historical and contemporary identities the text is highlighted by a series of extensive introductions to various categories of popular culture and by essays that demonstrate how the methods discussed in the introductions can be applied this volume is an exciting beginning for the study of the materials of everyday life that define our culture and confirm our individual senses of identity

now in its third edition peter burke s 1978 book popular culture in early modern europe has for thirty years set the benchmark for cultural historians with its wide ranging and imaginative exploration of early modern european popular culture in order to celebrate this achievement and to explore the ways in which perceptions of popular culture have changed in the intervening years a group of leading scholars are brought together in this new volume to examine burke s thesis in relation to england adopting an appropriately interdisciplinary approach the collection offers an unprecedented survey of the field of popular culture in early modern england as it currently stands bringing together scholars at the forefront of developments in an expanding area concluded by an afterword by peter burke the volume provides a vivid sense of the range and significance of early modern popular culture and the difficulties involved in defining and studying it

coverage of the major fields of popular culture film music fashion design sport media engaging text on some of the most central images of the 20th century popular culture every chapter is supported by accessible reference data chronological tables covering film media popular music fashion design and sport biographies of 3000 major figures of modern popular culture

a collection of more than 150 studies in social and cultural history written by respected scholars and incisive commentators whose primary concern is human behavior and the nature of human society
