foreword at some point in our long spiritual journey we often ask ourselves what else do i need to learn what else do i need to achieve what else am i lacking and suddenly in the gentle silence a light came not with a thunderclap or a dramatic flash but with a barely perceptible metallic coolness like a breeze from a distant galaxy caressing the top of one s head the light said little it was simply present and in its presence all questions began to dissolve the light is called platinum white flame this book wasn t born out of a desire to add another piece of spiritual knowledge to your shelf it was born out of a desire to remind you that you are never truly separated from that light that everything you seek peace wholeness strength love freedom is already within you only covered by layers of illusions we call ego trauma karma and time the platinum white flame is not a new technique or a magic ray you must master it is a gentle reminder from the cosmic divine feminine from the mother who never abandons her children it comes at a time when the world is in turmoil when the collective consciousness is fractured and when many souls are weary of searching beyond themselves through the 100 questions and answers in this book this flame speaks directly to you not to provide final answers but to open the door back to the silence you ve known since before you were born every page is an invitation to stop fighting to stop proving to stop being afraid of less and began to allow the light to flow the age of aquarius has arrived not with great fanfare but with a gentle whisper inviting us home the platinum white flame is that whisper it doesn t ask you to be anyone else it only asks you to remember you are already the light itself with love and respect for your journey happy reading and safe return home in the eternal embrace of the platinum white flame there s always room for you jakarta march 7 2026 suhandono the
