this reader brings together the writings of wallace warfield 1938 2010 the internationally acclaimed and influential authority on conflict resolution the selected essays highlight the importance of social context in conflicts and the future and potential of the field of conflict resolution after introducing warfield s thinking and background a first section highlights the role of race ethnicity and culture in conflict through case studies and step by step methods on how to deal with such issues it also addresses theoretical issues and policymaking the second section focuses on the role of conflict resolution in society and how it could become the key to building just societies throughout the book it is clear that the subjects that concerned warfield are becoming even more relevant today world conflicts are less between countries and more within communities confronted with socio cultural clashes as well as issues related to economic deprivation individuals who have been victimized by oppressors or oppressive systems are becoming aware of their rights while globalization and electronic communication are showing them what structural changes pacific or otherwise are happening around the world ranging from the local to the international and integrating theory with ideas and practice this work will be a unique learning resource and reference for both students and practitioners of conflict resolution while highlighting the legacy and contemporary relevance of a leading thinker

this timely collection written from a social work perspective includes original chapters by leading experts in specific fields of mediation and conflict resolution each chapter examines a field of practice describes the actual mediation conflict resolution process considers current debates and research and provides alternatives to mediation gender race class and cultural diversity issues are integrated throughout the text with a separate chapter addressing mediation and multicultural reality

the handbook of conflict resolution second edition is written for both the seasoned professional and the student who wants to deepen their understanding of the processes involved in conflicts and their knowledge of how to manage them constructively it provides the theoretical underpinnings that throw light on the fundamental social psychological processes involved in understanding and managing conflicts at all levels interpersonal intergroup organizational and international the handbook covers a broad range of topics including information on cooperation and competition justice trust development and repair resolving intractable conflict and working with culture and conflict comprehensive in scope this new edition includes chapters that deal with language emotion gender and personal implicit theories as they relate to conflict

why can't we all just get along in family life schools law the business world and domestic and international affairs it is all too common for disputes to fester unresolved even when the parties are committed to a negotiated settlement in this book members and associates of the stanford center on conflict and negotiation address the complex issues that protract disputes and turn potential win win negotiations into conflicts that leave everyone worse off drawing on such diverse but related disciplines as economics cognitive psychology statistics and game and decision making theory the book considers the barriers to successful negotiation in such areas as civil litigation family law arms control labor management disputes environmental treaty making and politics when does it pay for parties to a dispute to cooperate and when to compete how can third party negotiators further resolutions and avoid the pitfalls that deepen the divisions between antagonists offering answers to these and related questions this book is a comprehensive guide to the latest understanding of ways to resolve human conflict

offers a new perspective on the nature of conflict outlines a proven eight step method for resolving differences and discusses how to handle frequent problem areas

in the workplace clear concise communication is always a necessary factor to embrace we as individuals need to remain responsible enough to actively resolve our internal conflicts and be able to articulate our basic needs in a respectful manner to others this text is a useful tool in finding your way in conflict management

this book outlines the generalist approach to conflict resolution the approach was inspired by the generalist approach to social work but has now emerged in the fields of conflict resolution and peace studies essentially the approach considers conflict resolution practice and scholarship very broadly generalist scholarship and practice are contrasted against specialized ways of conducting conflict resolution whereby practitioners become well versed in one mode of practice or a specific theoretical orientation to scholarship several theories provide a foundation for this inclusive approach conflict transformation eco systemic scholarship the strengths perspective and a new theory of social conflict the theory of differences the generalist approach is intended to provide a way for conflict resolution and peace studies scholar practitioners to help diverse parties address complex conflicts at various levels personal to international generalist scholar practitioners assist parties to comprehensively and holistically address these conflicts in a multi layered multi level fashion

but they must be comfortable with ambiguity monitor intervention complexity and give parties control over how their conflicts are addressed ultimately this may make parties more committed to their conflict interventions and outcomes

conflict resolution is of increasing interest at all levels of social and political interaction from the interpersonal to the international drawing on the author s extensive experience in counseling and mediation this book provides a practical approach to conflict resolution gregory tillett covers a wide range of areas including ethical environmental industrial and neighborhood conflict and supports his methods with theory and case studies this new edition features an emphasis on creative solutions to problem solving and has been revised to reflect the needs of academics and professional counselors it draws on the latest research and case histories

the handbook of conflict resolution second edition is written for both the seasoned professional and the student who wants to deepen their understanding of the processes involved in conflicts and their knowledge of how to manage them constructively it provides the theoretical underpinnings that throw light on the fundamental social psychological processes involved in understanding and managing conflicts at all levels interpersonal intergroup organizational and international the handbook covers a broad range of topics including information on cooperation and competition justice trust development and repair resolving intractable conflict and working with culture and conflict comprehensive in scope this new edition includes chapters that deal with language emotion gender and personal implicit theories as they relate to conflict

selections of articles from various sources
